THE MINNESOTA YOUTH HUNTING CAMP... AT THE MINNESOTA HORSE AND HUNT CLUB

**WHERE YOUNG PEOPLE LEARN TO HUNT...
AND SO MUCH MORE!**

THE YOUTH OF TODAY REPRESENT THE FUTURE OF HUNTING IN THE USA

Since 1986 the Minnesota Horse and Hunt Club has been a part of creating and offering Youth Hunting Camps. One of the oldest Youth Hunting programs in the country, the Minnesota Youth Hunt Camp is for boys and girls, 12-16 years old. Each session begins on a Sunday

afternoon and ends on Friday afternoon.

The sessions are action-packed, fun, educational and exciting. This is much more than a traditional Firearms Safety Course – this is an immersion into shooting, hunting and the great outdoors.

You'll experience archery and the use of shotguns, rifles, and pistols, with opportunities for both instruction and practice. You'll learn to track, dog handle and identify various types of cover and vegetation. There will be exposure to safety ideas, techniques and practices, as well as adventure canoeing, swamp

walking, tree climbing and scouting. Towards the end of your experience, you'll take part in a real bird hunt and learn to shoot, clean and cook the birds. Maybe most important of all, you'll make new friends, gain confidence in your outdoor abilities and learn the respect for wildlife and nature that hunters share worldwide.

2012 SESSION SCHEDULE

June 17-22 Beginner
July 8-13 Advanced

July 15-20 Beginner
August 5-10 Advanced

HELP US BUILD THE FOUNDATION OF AMERICA'S NEXT GENERATION OF HUNTERS

The camp takes place at the Minnesota Horse and Hunt Club, located just south of Prior Lake, Minnesota, only 25 minutes from the Minneapolis International Airport and 45 minutes from downtown Minneapolis. The Horse and Hunt Club is one of the country's largest and most respected clubs, with the largest sporting

clays range in the nation and all the facilities necessary to make the camp a complete experience. The campers are housed in the Club's Hunter Lodge, a comfortable log building with sleeping room for up to 16, two bathrooms, a kitchen, fireplace, located in the heart of the Club.

The supervision of the camp is under the direction of the Minnesota Youth Hunt Club, a non-profit, 501(c)3 corporation. The Club carefully selects its staff from highly qualified, knowledgeable individuals, many of whom have been through the Youth Camp themselves. The Director and Counselors are chosen and trained to help campers grow their skills, improve techniques, gain outdoor experience and have safe fun in the process.

TELL US WHY YOU WANT TO BECOME A HUNTER, AND WE WILL MAKE IT HAPPEN

To be admitted to the Minnesota Youth Hunt Camp, each young person must write a short essay explaining why they want to attend the camp. We only want young people with an interest in hunting and the great outdoors; the essay must reflect that. From the essays submitted, the young participants will be chosen.

The cost for the camp is all inclusive: ammo, guns, food, props, hunting, and lodging are included. The price for one session is \$995.00

The Minnesota Youth Hunt Club has scholarships available for young people based on interest and need. The scholarships are typically for \$995.00. Some parents strongly desire to help offset costs and this can be done by making a tax deductible donation to the Minnesota Youth Hunt Club for whatever amount they choose.
