**LEAGUE BEGINS**

**APRIL 10-11-12**

MINNESOTA

HORSE & HUNT  
CLUB

Spring League shooting is a great way to improve your skills, have fun and enjoy the company of like-minded outdoorsmen. (And women!) Summer League consists of 10 weeks shooting 50 target rounds per week. You can shoot “make-ups” or “shoot aheads” to allow for bad weather or scheduling problems. Teams range from hard-core competitors to groups who are more interested in having fun than keeping score. The handicapped scoring system means everyone can contribute, regardless of skill level.

Organize your own team or we will find one for you. The Minnesota Horse and Hunt Club has long been considered the premier shooting sports venue in North America, offering a full range of shooting and upland game hunting opportunities. Individual and corporate memberships are available.

The Minnesota Horse and Hunt Club has hosted a number of State, National and World Championship events. The courses are world class!

Trigger's Bar and Restaurant has an extensive food and full beverage service available for your post-shooting discussion sessions. It's a great place to

quench your thirst or discuss your best shots of the day or your team mates worst. Join our Summer Clays League today and begin to really enjoy life again.

For more information email:  
[bob@horseandhunt.com](mailto:bob@horseandhunt.com)  
<http://www.horseandhunt.com/>  
Phone: 952-447-2272

If you're a team looking for more shooters or a shooter looking for a team to join contact [bob@horseandhunt.com](mailto:bob@horseandhunt.com) as soon as possible. Shooters looking for a team need to know what time your work schedule will allow to to get to the Club; what day you want to shoot (Tue-Wed-Thur) your age; your skill level (shot less than 5 rounds, less than 20, fifty rounds or more).

### Total League Fee

\$ \_\_\_\_\_

We are having every team prepay before going out to shoot. Cards will be given out with the appropriate amount of rounds that were paid for. Once a score is highlighted in the league book it may NOT be changed.

# Sporting Clays League Rules & Rates - 2018

## Dates

**Spring:** April 10th – June 24th

You can practice here anytime before that!

If you are new to shooting League at the Minnesota Horse and Hunt Club, contact Bob to answer any questions

about Leagues. Send him an email:

bob@horseandhunt.com

## Basics

League play consists of one round per week, each round consisting of 50 targets.

Price per round is \$19.50 for Members and \$25.50 for non-members.

**Save \$1 per round by purchasing a prepaid 10-round punch card** - \$185 for Members and \$245 for non-members. **The cards also speed up your check-in process.**

## Sporting Clays Memberships

The price of **Sporting Clays Membership** is \$129/year.

Membership benefits:

- Member prices on all clay target games all year long! (Sporting Clays, Trap, Skeet, 5-Stand, FITASC, and Duck Tower) - 10% discount on food purchases in Trigger's Bar & Restaurant.

## Teams

A minimum of five shooters is required to make a team and a maximum of fourteen. Team scores take the five highest shooters including handicap for weekly total. Non-League members are allowed to shoot with teams, but only scores shot by shooters on the team roster will be posted in the League book. Team rosters must be finalized by the end of the third week – April 28th for Spring League and July 14th for Summer League. Make-up rounds can be shot at any time.

## Team Fees

\$20 Non-MHHC Members per shooter/per team

\$10 MHHC Members per shooter/per team

## Prizes

Up to \$10,000 in Great Prizes!

All team fees collected will be paid back to the League shooters in the form of Team Prizes (1st, 2nd, 3rd, etc.) in classes AA, A, B & C. The remaining cash will be awarded by random drawings to League shooters who complete all 10 weeks of shooting. Prizes will be in the form of Sporting Clays rounds, ammunition, guns, Pro Shop, food at Trigger's, gift certificates, etc, awarded at League banquet.

## Team Captains

Team Captains will be in charge of:

1. Turning in team roster with the shooters fees due no later than the end of the 3rd week. When the roster and money are turned in team captain receives a free round of Sporting Clays.
2. Team Captain or assistant Captain is responsible for entering scores after the rounds are shot that week. If the Captain does not record the scores they will not be posted.
3. Both spring and summer banquets will be held in mid-October. At that time team captains will be awarded a round of clays for each shooter that shoots all 10 rounds.
4. All league shooters must pre-squad before check in unless you are shooting solo.
5. Captains: **PLEASE** get your teams signed up and scheduled (day and time) **BEFORE** the first week of league to help with traffic management and avoid backups at the stations.

## Handicaps

Handicaps are calculated by using the shooter's average score, then subtracting it from "par", which is 43 and multiplying the difference times .70 (70%) Example: If a shooter's average score is 30 the equation is  $43 - 30 = 13 \times .70 = 9.1$ . The product (in the example 9.1) will be added to the shooter's score. Handicaps adjusted each week. Maximum score with handicap is 43.
